Request for Proposals (RFP)

**#06-8 Victims of Crime Act (VOCA)**

**Victims Assistance Grant Program**

**Proposal Deadline: February 6, 2006**

**Project Dates: July 1, 2006 to June 30, 2007**

## I. Introduction

The Montana Board of Crime Control (MBCC) is soliciting proposals for funding from Montana programs providing direct services to victims of crime. Particular consideration will be given to programs serving victims of sexual assault, domestic abuse, child abuse and victims of assault. The federal Department of Justice has not yet determined Montana's allocation. (*Note: Funds may not be actually available for local projects on July 1<sup>st</sup> because of the federal distribution schedule. You must plan for that contingency.*) Continuation programs in good standing will be given first priority for funding, however, funding is considered on a year-to-year basis and **is not guaranteed**.

## II. Purpose of Funds

To provide direct assistance to victims of crime as soon as possible after the crime occurs in order to reduce the severity of the consequences of the victimization, to improve the victim's willingness to cooperate with the criminal justice process, and to restore the victim's faith in the criminal justice system.

## III. Eligibility

To be eligible for VOCA funding, a subgrantee must:

- ✧ Be operated by a public or non-profit organization that provides direct services to victims of crime;
- ✧ Demonstrate substantial financial support from other sources;
- ✧ Utilize volunteers (or request a waiver due to compelling reasons);
- ✧ Promote coordinated public and private efforts to aid victims within the community;
- ✧ Assist victims in seeking Crime Victim Compensation benefits;
- ✧ Provide services to victims of federal crime; and
- ✧ **Private Non-Profit Agencies Must Document Their IRS 501-3C Nonprofit Status.**

# **CLOSED – This Request for Proposal is for reference purposes only.**

## **IV. Late Applications**

- 1) New applications that are received past the due date will be returned and not considered during the current cycle.
- 2) The first late submittal for continuation programs will require appearance before the Victims Committee to request consideration. The second late submittal requires the application be returned and not considered during the current cycle.

## **V. Match**

**Match.** All projects must provide for 20 % hard or soft (in-kind) match from a non-federal source. This means that match can be actual cash donations or in-kind contributions, in any combination. Victim Assistance programs funded with VOCA funds are not encouraged to "over-match" the VOCA project.

**Note:** *The budget sheet must include the required match as a percentage of the **total project budget**. Specifics of the match (amount and source {in-kind or hard cash}) must be clearly identified on **both** the Budget Sheet and Budget Narrative in the application.* Projects must document the basis for determining the value of in-kind match. All match funds must be expended within the grant period and are restricted to the same uses allowed under the grant funds.

## **VI. Funding Period**

Projects must begin on July 1, 2006 and conclude on June 30, 2007.  
Continuation funding may be considered on a year-to-year basis, but it **is not guaranteed**.
